# International Internship

An international-focused internship is required for students with less than 6 months of internationally related professional experience at the beginning of the program. The internship should be an estimated 300 hours total, or 20 hours/week for a semester, but can be project-based.

Internships may be local, national, or international. Internships can range in the duration (or length of internship) and hours worked per week.

A waiver is available for students with more than six months of full time professional international experience.

More information:  
[miage.utah.edu/internships.php](http://miage.utah.edu/internships.php)

# Language Proficiency

The ability to communicate across language barriers is an invaluable skill in the international arena.

**Before completion** of the program, MIAGE students must accomplish advanced proficiency in a second international language.

Proficiency in a second language is not required to apply to the MIAGE program.

More information:
